March 25, 2020

Dear Staff, Families, and Patrons,

Yesterday afternoon, Governor Bullock made the decision to extend the closure of all public schools for an additional two weeks. The closure will now run through Friday April 10<sup>th</sup>. Jefferson High School will continue to provide academic materials both online and through packets. Packets will be put together weekly and will be available Tuesdays at 2:30. Online components will also remain in use for students using this platform.

The JHS Board of Trustees will meet on Thursday and vote on important measures needed to provide a range of flexible options during these extraordinary times. An Action Plan will be voted on and submitted to the governors once approved. The plan allows schools to continue to operate and waive the required in-school days. Other parameters of the plan allow schools to receive full funding during this time. Once the plan is approved it will be posted on the school website.

Currently, there are still staff working in the school Monday-Friday 8-4 pm if any assistance is needed with materials, resources, computers, etc. Teacher are all available via email. Please reach out if there is any assistance the district can provide. .

Thank you for your continued patience, understanding, and support during these challenging times.

Respectfully,

Tim Norbeck, Superintendent
