

September 7, 2021

Dear Families,

I wanted to follow-up with a quick note considering the closure of school today. First, **school will resume as normal with traditional classroom learning tomorrow (September 8)**. As a reminder, starting tomorrow everyone, regardless of vaccination status, will be expected to wear facemasks within our district buildings. This requirement will be in effect through at least Friday, September 24, 2021 and may be extended further if warranted. Facemasks will continue to be required on school transportation as well.

There will be a cafeteria menu adjustment for the remainder of this week. At this time, the regular September lunch menu should resume as planned next week. Breakfasts will continue to be offered this week as well. The lunch menu for this week is as follows:

Wednesday, September 8	Thursday, September 9	Friday, September 10
Peanut Butter & Jelly Sandwich	Peanut Butter & Jelly Sandwich	Hot Dog & Bun
Fruit	Fruit	Fruit
Vegetable	Vegetable	Vegetable
Milk	Milk	Milk

We also appreciate the efforts of our families to keep their students home if they are ill. Please keep students home until they are clear of any illness symptoms. Finally, thank you for your understanding and cooperation in these trying times, as we all work to keep students in their classrooms and minimize the spread of COVID-19.

Stay safe and go Cubs!

Brad Herman

Superintendent
