Champions Before & After School Programs

Champions, a division of KinderCare Learning Companies, is pleased to provide their Cognia accredited before- and after-school programs for the West Mifflin Area School District. Champions is designed to provide children with a safe, caring, fun, and enriching “home away from home” during their out of school time hours.

The program will open for school year 2023-24 and will take place right on the spot at Clara Barton, Homeville and West Mifflin Area Middle School.

Guided by passionate teachers, children in the Champions program will have the opportunity to explore their curiosity and interests and build confidence and community through hands-on projects and activities. In addition, time, space and supplies are available to support children in completing their homework; Champions teachers will assist and encourage them.

Champions also offers daily fitness and snacks and will help children develop healthy habits by promoting proper nutrition and physical activity.
