It is hard to believe that October is already here! It seems like we just started school and welcomed everyone back to a new year. I hope that this newsletter finds you and your child doing well and that the beginning of the year has been a positive experience.

I know evenings can be hectic and finding time to do homework or even reading gets challenging. Please do your best to set a routine to read together, do homework or just discuss the classroom activities from the day. Help your child keep a positive attitude toward school and his/her academic work. Your partnership with us in supporting your child will increase her/his success in school and beyond.

We appreciate all you do for your child, and we want to support you in any way we can. Parents who choose to discover, contact, and volunteer at their schools can participate in adventures which are definitely interesting, informative and exciting and are guaranteed that their participation will be profitable threefold—for their child, their school, and for themselves.

A huge THANK YOU to Bowser Subaru! We had such an amazing day at Clara Barton Elementary School on Thursday, September 15th. In partnership with Subaru, Subaru Loves Learning and [AdoptAClassroom.org](https://www.adoptaclassroom.org), they donated \$10,000 to Clara Barton for supplies and more. The kids were so excited, and we celebrated with Kona Ice Pittsburgh! 😊
