Dear West Mifflin Area High School Parents and Guardians,

We hope this message finds you well as we enter the new year. We are writing to inform you that students will return to in-person learning on **Monday, January 6, 2025**.

Over the past weeks, our administration has worked closely with the restoration company and subcontractors to assess the safety and readiness of the building. After thorough evaluations, we are confident that the building is safe for students to return.

However, please be advised that there is still a faint odor on the second floor, particularly near the mezzanine door and the control room door. While this odor is being addressed, it does not pose a health risk to students or staff.

Additionally, certain areas of the building will remain restricted due to ongoing restoration work. Specifically:

- The **band hallway** and the **tech ed. hallway** will be off-limits to students until **Monday, January 13, 2025**.
- Also, the auditorium will be closed to all students and staff.

We kindly ask for your cooperation in reminding your student to avoid these areas until they are fully reopened. Our staff will ensure that appropriate signage is in place to clearly mark restricted areas.

Thank you for your understanding and support as we continue to work towards the full restoration of our school. If you have any questions or concerns, please do not hesitate to contact the high school office.

We look forward to welcoming our students back to school on Monday!

Sincerely,

Jeffrey Soles
Superintendent
