Parents and Guardians,

The District hopes everyone had a great winter break and their new year is off to a safe and healthy start. The semester change is rapidly approaching, the end of the second nine weeks is Thursday, January 9. If you have any questions concerning your child's progress, please contact their teacher or counselor for assistance.

As a reminder, the District will utilize the all-call system to inform parents of any changes to the school calendar or the daily operations. As we continue to move through the winter months, the District will attempt to make decisions concerning remote learning due to severe weather as early as possible to provide you with as much time as possible to plan. We are anticipating the possibility of severe weather approaching Sunday evening into Monday morning.

The High School students will be taking the Keystone tests next week. Please visit the High School webpage and listen for the all-call for the testing schedule. All students not testing will be working remotely on those days. The High School Students will be returning to in-person learning on Monday, January 6, 2025.

Parents, please visit the District's calendar on the webpage for a listing of all the different events.

Reminder: Friday, January 10, is an in-service day for teachers; there is no school for students. On Monday, January 20, the district will be observing Martin Luther King Jr. Day.

Kindergarten Registration is open for the 2025 - 2026 school year.

The next two-hour early dismissal for professional development will be Friday, January 31.

Thank you and have a great weekend.
