It is hard to believe that October is already here! It seems like we just started school and welcomed everyone back to a new year. I hope that this newsletter finds you and your child doing well and that the beginning of the year has been a positive experience.

I know evenings can be hectic and finding time to do homework or even reading gets challenging. Please do your best to set a routine to read together, do homework or just discuss the classroom activities from the day. Help your child keep a positive attitude toward school and his/her academic work. Your partnership with us in supporting your child will increase her/his success in school and beyond.

We appreciate all you do for your child, and we want to support you in any way we can. Parents who choose to discover, contact, and volunteer at their schools can participate in adventures which are definitely interesting, informative and exciting and are guaranteed that their participation will be profitable threefold—for their child, their school, and for themselves.

We had another OUT OF THIS WORLD STEAM family night! Thank you to everyone who helped make this night possible! A special thank you to our PTA, Ronda Mitrik, Anita Smith, Maria Rader, Jamie Smith, Mrs. Baker, the STEAM team, Kevin Squires, Gina Englert, our Title I, and all of the student ambassadors who helped make our night a HUGE success! 😊

A whole lot of kindness is taught at Homeville Elementary... just look at our shirts. 😊

Our community joined together to cheer on the Steelers!

Homeville Elementary had a special guest reader!
