Students Get Crash Course in Civics

Recently, WM alumni State Senator **Nick Pisciotano** (WMA '08) and PA House Representative **John Inglis** (WMA '05) visited Mr. Rost's 9th grade civics class to provide students with a firsthand look at how state government operates and the importance of being engaged, active citizens.

Celebrating Mathematical Achievement

Elementary schools in the district have been actively engaging in fun math activities. **Ms. Green's** third grade class was awarded the Spring Math Traveling Trophy for their exceptional speed and success in completing skill tests.

Additionally, on Monday, fourth graders enjoyed a leprechaun-themed math adventure, solving puzzles and hunting for hidden clues, which ultimately revealed a secret message.

Spotlights on the Students

Students from our Theater Tech 1 & 2 classes and the Middle School Stage Crew Club recently had an incredible opportunity to attend the USITT Conference and Expo at the Columbus Convention Center. They had the chance to explore various career paths, internship opportunities, and colleges offering specialized degrees in Technical Theater. Hands-on demonstrations on cutting-edge theater lighting techniques provided valuable insights from industry experts.

Order in the (Mock Trial) Court!

Congratulations to our WMAHS Mock Trial teams for their outstanding performance in the PBA/YLD Mock Trial Competition. Both teams made it to the regional playoffs, claiming victories over Shaler and Neighborhood Academy. Although they were narrowly defeated by Mt. Lebanon, we could not be prouder of their dedication and preparation.

Congratulations to Our Students

- Senior **Austin Kurta** recently competed at the New Balance Indoor Nationals in Boston, finishing with an impressive time of 8.44 seconds in the Boys' 60m Hurdles. Austin will continue his track and field career at Slippery Rock University after graduation.
- Heartfelt congratulations to the cast, crew, and orchestra of "Once Upon a Mattress" for their incredible performances. Your hard work and talent shone brightly!
