In order to speak at this time, the following must be met:

- Matter must have been discussed through the proper education channels
- Direct comments to the Board President and/or Superintendent
- Remarks limited to three (3) minutes per person
 - Theresa Sekely had questions/comments about the Ford Business contract, and the West Mifflin Soccer Club.
 - John Collins had questions/comments about the Ford Business contract, and was wondering why the District is not hiring from within for a I.T. Director.
 - Diane Stanesic had questions/comments about the Ford Business contract. She feels that the Board should vote against this item, and should put together an RFP for this service.
 - Barb Gregory commented that at the last West Mifflin Council meeting, she was informed that the Borough had asked to use the District's auditorium, and they were told that they would have to pay to rent the space. She just wanted it documented that she thought that was odd, and that the District and Borough should work together.
 - Mark Yuhas spoke as a citizen. He asked why the District did not disclose the amount owed to get out of the agreement for Item 7.B.7. He feels the public should know that the District owes \$62,500 to get out of this contract.
