A Note from the Principal

January “New Beginnings”

The new year is an excellent opportunity for people to take a step back, reflect upon the priorities of life, and recommit and refocus to assure that appropriate effort, time, and resources are committed to these priorities. Even though it falls in the middle of the school year the New Year offers parents and staff of Clara Barton a new beginning when we can rededicate ourselves to our joint responsibility of educating young people.

On behalf of the Clara Barton staff, we dedicate and rededicate ourselves to a positive, productive, and successful “new” school year. We hope that you, our parents, join us in this commitment. With mutual communication, effort, understanding and support, success for our students and your children is greatly enhanced.
