

1. Go to WWW.WMASD.ORG and click on parent.

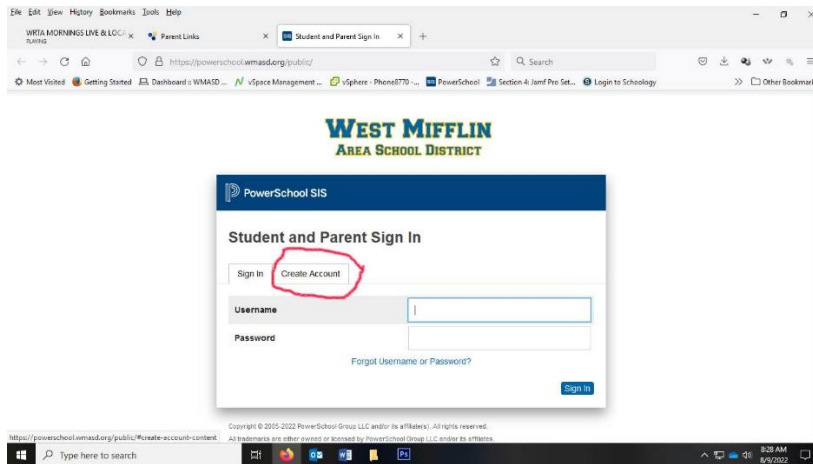

2. Click on Parent Link.

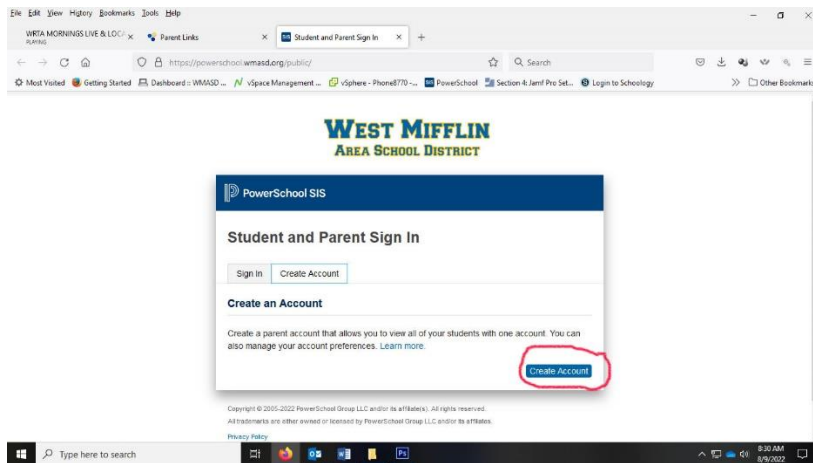

3. Click on Power School.

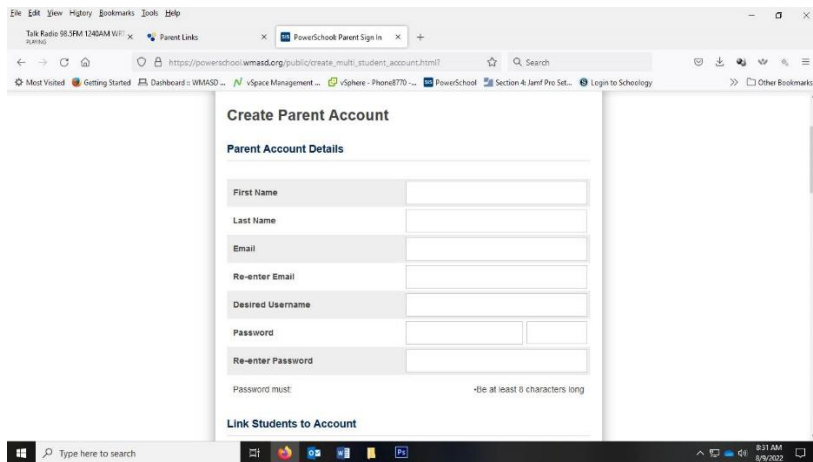

4. Click on create an account tab.

5. Click on create an account button.

6. Fill in all blank as shown.

- Once you fill out your parent information. Scroll down and fill in the blanks for each child you want to link your account to. The Access Id and Access password was received in a letter from your child's school.

The screenshot shows a web browser window with the URL https://powerschool.wmasd.org/public/create_multi_student_account.html?. The page title is "PowerSchool Parent Sign In". Below the title, there is a note: "Password must: Be at least 8 characters long". The main heading is "Link Students to Account". Below this heading, there is a sub-heading: "Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account". The form consists of two sections, labeled "1" and "2". Each section has four input fields: "Student Name", "Access ID", "Access Password", and "Relationship". The "Relationship" field is a dropdown menu with "-- Choose" selected. The "Enter" button is not visible in this screenshot.

- Once you have entered all children information. Scroll down to bottom of screen and click the enter button. Once completed you don't need your students Access ID or Access Password. Your login will now show you all of your student's information.

The screenshot shows the same web browser window as the previous one. The form now has two sections, labeled "6" and "7". Each section has four input fields: "Student Name", "Access ID", "Access Password", and "Relationship". The "Relationship" field is a dropdown menu with "-- Choose" selected. The "Enter" button is now visible at the bottom right of the form and is highlighted with a red circle. The "Enter" button is a blue rectangular button with the word "Enter" in white text.
