The Amy Zlokas Committee was established in 2006 after our dear friend and colleague passed away from Breast Cancer at the young age of 51. Each year the committee awards a monetary scholarship to multiple West Mifflin students who are pursuing a career in nursing. Over the years the committee has awarded over \$20,000 to deserving students!

Students and staff support a high school senior English teacher, Tony Salopek, and his family.

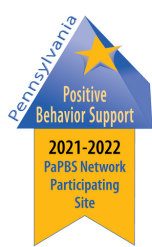

This past month, students in Miss Dolton's Advanced Culinary classes got to put their skills in action to help cater two school events – The Homecoming Hospitality Tent and the Titan Troop Halloween party! They planned the menu, the shopping list, and then prepared, set up and served all of the food.
