Press Release

Sir or Madam,

The West Mifflin Area School District is aware of the situation that occurred in the High School while the building was closed over the weekend. We are investigating the incident that included two high school students that were allegedly engaged in a physical altercation.

The West Mifflin Area School District will uphold all policies and procedures pertaining to this event. All parties involved with this incident will be held accountable and responsible for their actions.

At this point in our investigation it was determined that this was a one-time event; there was no evidence that this event was pre-mediated. As per school policy, all information and disciplinary measures will be confidential.

Sincerely,

Jeffrey T. Soles  
Superintendent
