CONNECTED

READY TO LEARN

1

STATE REQUIREMENT

Pennsylvania's Child Protective Services Law (23 Pa.C.S. Chapter 63) requires each student receiving virtual instruction to participate in a weekly Wellness Check.

This requirement is effective **immediately** and applies to any week that includes at least three full or partial instructional days.

2

HOW STUDENTS COMPLETE IT

GRADES K-8

Attend Titan News at 9:00 a.m. with your camera on at least once each week.

If you do not attend Titan News or do not turn on your webcam, contact an instructor to arrange for a live Wellness Check for that week.

HIGH SCHOOL

Participate in a live, real-time interaction with your Study Skills teacher.

- Wednesdays 8:00–8:30 a.m.
- Wednesdays 11:30 a.m.–12:00 p.m.
- A live webcam interaction during your instructional coursework also satisfies the requirement.

Completing attendance in Schoology **DOES NOT MEET THE WELLNESS CHECK REQUIREMENTS.**

HYBRID & STEEL CENTER

Attending your in-person classes and/or activities fulfills the criteria for a Wellness Check.

3

DURING THE WELLNESS CHECK

An authorized West Mifflin Area School District teacher, administrator, or qualified staff member must see and communicate with the student in real time.

The Wellness Check confirms the student's well-being and encourages participation in the virtual program while meeting the criteria set forth in State Law.

4

IF A CHECK IS MISSED

The district will use two forms of communication to notify the parent/guardian that the wellness check requirement has not been met.

If unresolved, a Wellness Review Conference will be scheduled.

Continued nonparticipation **WILL** require an **in-home Wellness Visit within 24 hours** from our TAP (Titan Attendance Program) Team.

5

POSSIBLE FURTHER ACTION

This visit could further trigger an investigation of your child's welfare pursuant to 23 Pa.C.S. Chapter 63.

If repeated violations continue to occur, along with home visits, students can be withdrawn from the program, and alternate education opportunities will need to be discussed.

Together We Ensure

THE SAFETY, SUCCESS, AND WELLBEING
OF EVERY **TITAN** LEARNER.
